

Information for Speakers

Workshop: Co-Creating our Future - 25 October 2025 - Regent Street Pavilion

Projection facilities, standard AV gear, and a laptop with a clicker will be ready to use. You are welcome to bring your slides on a USB, or if it is easier, email them to dennis.venter@rethinkeconomics.org.au at least by the night before the workshop.

Your co-organisers are Dennis Venter and Anna Schlunker. Anna will also be the MC for this workshop.

Our venue has a capacity of 100 people. Talks and Q&A sessions will be recorded. (Participants who wish not to be recorded may submit questions by scanning a QR Code during the session)

Organisers and facilitators will be available on the day to assist or help out with IT-related matters.

There may be a little fine-tuning to times as we finalise the program.

Information about **fellow speakers**, the **program**, and the **map** is available at the following link: <https://rethinkeconomics.org.au/co-creating>
It also contains your individual '**speaker card**', which we will use for promoting the sessions. Feel free to share your speaker card on your social media.

For any enquiries, contact dennis.venter@rethinkeconomics.org.au

You can find out more about the three organisations hosting this event here:

<https://rethinkeconomics.org.au>

<https://era.org.au>

Thank you for contributing a talk to this special event.

Kind regards,
Dennis Venter
